

RN Care Manager
Job Posting

Kalos Health is a regional nonprofit Health Insurance Company that provides health insurance coverage. The Care Manager coordinates the care and service of selected member populations across the continuum of illness for Genesee/Monroe County.

Responsibilities

- Assess, plan, implement, coordinate, monitor, and evaluate services and outcomes to maximize the health, well-being and satisfaction of all members.
- Complete a comprehensive assessment and develop a care plan utilizing clinical expertise to evaluate the member's need for alternative services.
- Determine medical history, current status and the identification/facilitation of Member needs.
- Maintain accurate records of case management activities in the electronic health record using clinical guidelines.
- Participate in on-call, after hour's coverage.

Qualifications/Requirements

- Current NY State RN licensure.
- 5+ year's clinical experience, preferably in home health, physician's office or public health.
- 2 years' current case management or managed care experience preferred.
- CCM certification preferred.
- Bilingual skills a plus.
- Ability to create, review and interpret treatment plans.

Kalos Health offers outstanding benefits, including:

- 19 days of paid time off in your first year
- Holiday pay
- Health Insurance starting on your first day
- Retirement plan
- And Much More!!

We offer the opportunity to be part of a very dedicated organization that cares for others. If you enjoy working in healthcare and being part of a great team, we invite you to join us. Please apply online at www.kaloshealth.org. EOE
