INTRODUCTION

This directory provides a list of specialists, dentists, and other providers that participate in the Kalos Health Managed Long Term Care (MLTC) network. If you cannot find your provider in this directory, please call Member Services at 716-304-1212 to see if we have recently added him/her to our network.

To get the most up-to-date information about Kalos Health Managed Long Term Care providers in your area, call **Kalos Health Member Services: 1-800-894-2464 (TTY: 1-800-662-1220)** 24 hours a day, 7 days a week.

How do I find Kalos Health providers in my area?

Providers are listed in alphabetical order by type of service provided.

Do I need a referral or pre-authorization for services?

Routine services for Audiology, Optometry and Podiatry do not need pre-authorization. For anything exceeding routine care or for any of our other covered services, you will need pre-authorization. To obtain an authorization, you or your network provider can call:

Kalos Health Member Services:

1-800-894-2464 (TTY: 1-800-662-1220) 24 hours a day, 7 days a week.

Dental Services:

Kalos Health Managed Long Term Care members who need help or have questions about dental services should call:

FREQUENTLY ASKED QUESTIONS

Can I use providers not in the Kalos Health network?

When you joined Kalos Health Managed Long Term Care, you agreed to use Kalos Health network providers. Under some special circumstances you might be able to use out-of-network providers, if none of the Kalos Health network providers in your area are able to provide the care you need. Please talk to your Care Manager before using an out-of-network provider.

What if your provider leaves Kalos Health?

Sometimes the network provider you are using might leave the plan. If this does happen, your Kalos Health Care Manager will arrange services for you from another network provider.

What should I do if I have a medical emergency?

If you have a medical emergency:

- Get medical help as quickly as possible. Call 911 for help or go directly to the nearest emergency room.
- However, as soon as possible, you or someone else should contact **Kalos Health at 1-800-894-2464 (TTY: 1-800-662-1220)** 24 hours a day, 7 days a week. Your Care Manager needs to know about your emergency so that we can help coordinate your follow-up care. Please try to contact Kalos Health about your emergency or hospitalization within 48 hours.

DEFINITIONS OF COVERED SERVICES

Adult Medical Day Health Care

KALOS HEALTH can arrange for you to receive adult day health care in a residential health care facility or State-approved site supervised by a physician. The services provided at the adult day health care include: medical, nursing, food and nutrition, social services, rehabilitation therapy, leisure time activities, dental, pharmaceutical and other services. You must not be homebound and require certain preventive or therapeutic services to attend an adult day health care center.

Adult Social Day Care

Social day care is a structured program which provides you with socialization, nutrition, supervision and monitoring in a protective setting. Additional services may include, but are not limited to, personal care maintenance, enhancement of daily living skills, transportation, caregiver assistance and case coordination and assistance. To learn more about this program contact your nurse care manager.

Audiology/Hearing Aides/Hearing Aide Batteries

Services Include audiometric examination or testing, hearing aid evaluation, conformity evaluation and hearing aid prescription or recommendations if indicated. Hearing aid services include selecting, fitting and dispensing of hearing aids, hearing aid checks following dispensing and hearing aid repairs. Products include hearing aids, ear molds, batteries, special fittings and replacement parts.

Consumer Directed Personal Assistance (CDPA)

As part of your managed long term care services, you may be eligible to self-direct your care. CDPA is a specialized program where a member or a person acting on a member's behalf self-directs and manages the member's personal care and other authorized services. This also includes hiring, training, supervising and scheduling staff. Staff may include family members or friends. This is an alternative to traditional home care services. To learn more about this covered service, please ask your nurse care manager.

Dental

Services include but will not be limited to preventive, prophylactic and other dental care services and supplies, routine exams, prophylaxis, oral surgery, and dental prosthetic and orthotic appliances required to alleviate a serious health condition. As part of your dental benefit, you are entitled to twice yearly checkups including cleanings, x-rays, and basic restorative services such as fillings, extractions, and dentures (every 8 years).

Durable Medical Equipment (DME) / Medical Supplies**

Durable Medical Equipment (DME) describes devices and equipment that are ordered by a practitioner in the treatment of a specific medical condition and have the following characteristics:

- can withstand repeated use for a protracted period of time,
- are primarily and customarily used for medical purposes,
- are generally not useful in the absence of an illness or injury, and
- are not usually fitted, designed, or fashioned for a particular individual's use.

Medical/Surgical Supplies are items for medical use other than drugs that have been ordered by a practitioner to treat a specific medical condition. They are usually:

- consumable,
- non-reusable,
- disposable, and
- have a specific purpose and generally have no salvageable value.
-

Home Delivered/Congregate Meals

Home delivered and congregate meals provided in accordance with each individual member's plan of care.

Home Health Care (CHHA)**

Includes the following services which are of a preventive, therapeutic rehabilitative, health guidance and/or supportive nature: nursing services, home health aide services, nutritional services, social work services, respiratory therapy, physical therapy, occupational therapy and speech/language pathology.

Community members who require skilled services will be followed by a Certified Home Health Agency for skilled nursing/therapy monitoring. All home care services require physician orders for treatment. All services are provided in your home.

Medical Social Services

Information, referral and assistance with obtaining or maintaining benefits that include financial assistance, medical assistance, food stamps, or other support programs provided by the Local Department of Social Services, HRA, Social Security Administration and other sources. Social work services also involve providing supports and addressing problems in a member's living environment, as well as activities of daily living to help the member remain in the community.

Nutritional Counseling

Assessment of nutritional needs and food patterns, or the planning for the provision of foods and drink appropriate for the member's physical and medical needs and environmental conditions, or the provision of nutrition education and counseling to meet normal and therapeutic needs. The services must be provided by a qualified nutritionist and include the following: assessment of the member's nutritional status and food preferences, planning of provision of appropriate dietary intake within the member's home environment and cultural considerations, nutritional education regarding therapeutic diets, development of a nutritional treatment plan, evaluation and revision of treatment plans, provision of in-service education to staff as well as consultation for a specific dietary problem and nutrition teaching to members and their families.

Oral Surgery**

The surgical treatment or repair of various conditions of the mouth or jaw. Oral Surgery coverage is determined by medical necessity according to professional evaluations and assessments in accordance with the member's primary insurance.

Orthotics and Prosthetics**

Orthotic appliances and devices are appliances and devices used to support a weak or deformed body part or to restrict or eliminate motion in a diseased or injured part of the body.

- Orthopedic footwear are shoes, shoe modifications, or shoe additions that are used to correct, accommodate, or prevent a physical deformity or range of motion malfunction in a diseased or injured part of the ankle or foot, or to support a weak or deformed structure of the ankle or foot, or to form an integral part of a brace.

Prosthetic appliances and devices are appliances and devices, which replace any missing part of the body.

Outpatient Therapies (Physical, Occupational, Speech; outside of the home)**

Physical, Occupational, Speech or other therapies in a setting other than the member's home.

Personal Care (LHCSA)

Some or total assistance with activities such as personal hygiene, dressing and feeding, and nutritional and environmental support function tasks. Personal care must be medically necessary, ordered by a physician and provided by a qualified person in accordance with a plan of care.

Personal Emergency Response System (PERS)

An electronic device which enables members to secure help if there is a physical, emotional or environmental emergency. Such systems are usually connected to a member's phone and signal a

Kalos Health MLTC

response center once a “help” button is activated. In the event of an emergency, the signal is received and appropriately acted on by our contracted response center.

Podiatry**

Services provided by a podiatrist which may include routine foot care when they are performed as a necessary and integral part of medical care such as the diagnosis and treatment of diabetes, ulcers and infections.

Private Duty Nursing

Continuous and skilled nursing care provided in a member’s home by properly licensed registered professional or licensed practical nurses.

Respiratory Therapy & Oxygen**

The performance of preventive, maintenance and rehabilitative airway-related techniques and procedures, including the application of medical gases, humidity, and aerosols, intermittent positive pressure, continuous artificial ventilation, the administration of drugs through inhalation and related airway management, patient care, instruction of patients and provision of consultation to other health personnel.

Skilled Nursing Facility**

Residential Health Care Facility (Nursing Home) services describes care provided to members by a licensed skilled nursing facility for short term rehabilitation and long term placement when medically necessary.

Social and Environmental Supports

Services and items that support the member’s medical needs and are included in a member’s plan of care. These services and items include but are not limited to the following: home maintenance tasks, homemaker/chore services and housing improvement.

Vision Care Services

Services of an optometrist and an ophthalmic dispenser, and includes eyeglasses; medical necessary contact lenses and polycarbonate lenses, artificial eyes (stock or custom made) and low vision aids. The optometrist may perform an eye exam to detect visual defects and eye disease as necessary or as required by the member’s condition. Members may obtain a routine eye exam yearly and eyeglasses every 2 years or more frequently if medically necessary.
